

# **XADA 40**

## **Short Spec.2022**

### TECHNICAL DETAILS

Certification	CE
Boat Building Category	B (Offshore)
Building materials	GRP
Lenght Overall (LOA)	11.90m
Beam Overall (BOA)	4.30m
Draft	1.00m
Displacement	14 tons
Fuel Tank Capacity	1.000lt
Fresh Water capacity	500lt
Holding Capacity	200lt
Engines	2x 320 hp YANMAR 8LV320/320Hp @ 3800 rpm
Generator	Fisher Panda 8kW or equal

## STANDART EQUIPMENT

### CONSTRUCTION

- Hull, solid under chines on sides above chine, deck and superstructure.
- Hand laid GRP with E-glass Biaxial Combination (0 / 90 / CSM ) with Gelcoat and vinyl ester resins for outer three layers and isophthalic polyester resin for all other layers
- Transverse and longitudinal strengthening stringers throughout hull
- Antifouling
- Interior Furniture built in natural light oak/chestnut or mahogany

### HULL - DECKS AND SUPERSTRUCTURE

- Self draining anchor locker
- Anchor, Delta type, 15 kg, with swivel connector
- Chain 70 m. 8 mm
- Electric windlass, 12 V, 1000 W, with Deck, Main controls
- Stainless Steel Bow anchor roller with fairleads
- 6 Mooring cleats in stainless steel
- Stainless steel pulpit, railings, flag and navigation light pole
- IMCO Navigation lights
- 2 stainless pantograph type windscreen wipers with fresh water spray
- 6 fenders
- Docking hook
- Mooring ropes 2 x 20 + 2x15 m.
- Remote control searchlight with Main Controls
- Horn
- Laminated glass windscreen
- Opening side windows with tempered glass
- Fuel and Fresh water inlets and vents
- Trimtabs
- Dockside 240V AC connection with 15 m. Cable
- Self draining cockpit
- Foredeck sun bed cushions
- Windscreen and side window covers
- Deck in Teak

## **COCKPIT**

- Self draining
- Access hatch to engine room
- Transom door
- Halogen overhead lights
- Teak floor
- Shower with hot/cold water
- Side locker under fly steps
- Removable storage/fishing box with hatch

## **BATHING PLATFORM**

- Teak Floor
- Stowage box
- Telescopic swimming Ladder

## **SALOON**

- Main Helm position with complete instrumentation
- Garmin chartplotter, radar
- Pilot seat with cabinet under
- Opening side windows with tempered glass
- Walls and ceiling in natural wood / imitation leather combination
- Fitted carpet flooring
- Sofa with imitation leather and cushions
- Folding dining table
- CD / Radio player
- 2 pane sliding patio door to cockpit with SS look
- All furniture in natural wood with solid wood cornering
- Wooden Venezian Blind Curtains
- Overhead halogen lighting
- 240 V AC socket
- Air condition Crusair or equal

## **GALLEY**

- Natural wood cabinet with Corian worktop
- 3 burner gas cooker or 2 burner electric cooker as per choice
- Stainless steel sink with chromed faucet
- Refrigerator 12 V, 110 lt
- 240 V AC socket

## **MAIN HELM POSITION**

- Hydraulic steering
- Stainless –wood steering wheel
- High speed compass
- Full engine instrumentation with sound alarms
- Fuel and water tank level gauges
- Bilge pump controls
- Engine/gear control levers
- Cigarette lighter
- Searchlight control
- Trim tab control
- Windlass control
- Windscreen wiper control

## **OWNERS CABIN**

- Fully upholstered large double bed with bedspread and pillows
- Chest of drawers under the bed
- Two wardrobes , one hanging and one with shelves
- Side Cabinets with shelf
- Bright Polished Aluminum escape hatch with fly screen/shade combination
- Access door to cabin
- Access door to en-suite bathroom
- Walls and ceiling in natural wood / imitation leather combination
- Fitted carpet flooring
- Wooden Venezian Blind Curtains
- Overhead halogen lighting
- Reading lights
- 240 V AC Socket
- Air condition Crusair or equal

## **OWNERS BATHROOM**

- Sink with corian worktop with cabinet under
- Separate shower cabin
- Chrome mixer faucets and shower rail
- Electric toilet
- Cupboards and furniture in white l/ natural wood combination
- Chromed accessories
- Automatic shower tray pump out system
- Teak grating on shower tray
- Mirror
- Halogen lighting
- 240 V AC socket

## **GUEST CABIN**

- Fully upholstered twin beds with bedspreads and pillows
- Hanging wardrobe with shelf
- Stowage shelves at sides
- Ample stowage space under beds
- Access door to cabin and en-suite / day Bathroom
- Walls and ceiling in natural chestnut / imitation leather combination
- Wooden Venezian Blind Curtains
- Fitted carpet flooring
- Overhead halogen lighting
- Reading lights
- Air condition Crusair or equal

## **GUEST / DAILY BATHROOM**

- Sink with corian worktop with cabinet under
- Shower cabin with curtain
- Chrome mixer faucets and shower rail
- Electric toilet
- Cupboards and furniture in white / natural wood combination
- Chromed accessories
- Automatic shower tray pump out system
- Teak grating on shower tray
- Mirror
- Halogen lighting
- 240 V AC socket

## **ENGINE ROOM**

- Twin diesel engines
- Engine cooling with sea cocks and water filters
- 2 extractor fans 12 V
- 2 stainless steel fuel tanks
- Separate fuel filters/water separator for each engine
- Sound insulation through out the room
- Automatic fire extinguishing system
- Engine room light
- 12 V DC and 240 V AC sockets

## **ELECTRICAL SYSTEM**

- Fisher Panda 8kW or equal
- 12 V DC electric panel
- 240 V AC electric panel
- 240 V AC dockside connection
- Battery main switch system
- 12 V, 2 x 140 Ah Batteries for engine starting
- 12 V, 2 x 180 AH Batteries for domestic power system
- Alternator split charging system
- 45 amp automatic battery chargers
- 240 V outlets through out the boat
- 240 V grounding system Zinc anodes for galvanic protection

## **WATER SYSTEM**

- Keel molded fresh water tank with fill inlet and vent
- Fresh water pressure system with hot and cold water uses at galley , bathrooms and stern shower
- 30 lt water heater with 240 V immersion heater
- Automatic shower discharge pump
- Keel molded holding Tank with pump out and deck suction outlet

## **BILGE SYSTEM**

- 3 bilge pumps with automatic level control and manual override
- 1 manual pump on deck

## **UNDERWATER GEAR**

- Stainless steel I brackets
- Stainless steel shafts
- Stainless steel Bronze rudders
- Seawater strainers for main engines
- Seacock on all underwater fittings
- Zinc anodes for galvanic protection
